

Producer of premium-quality food packaging

[cartybox.com](http://cartybox.com)

## □ ABOUT CARTY

Carty has been producing **food packaging solutions** in its native France since 1959. The company delivers support to its customers across the catering, food service and agri-food industries.

## OUR **CSR** STRATEGY □

### WELFARE AT WORK

Improving the **well-being** of our employees is high on our everyday priority list. We are firm believers in providing **training** to develop their **skills** and consistently striving to guarantee their **safety**.

### ECONOMIC PERFORMANCE

Our products are **manufactured in France**. **Superior quality** products, flawless service and enhanced customer satisfaction are the driving force behind our **sales strategy**. **Trust, honesty and respect** form the backbone of the partnerships with our suppliers.

### ENVIRONMENTAL PROTECTION

We are driven by our commitment to **protect the environment**. We design products that can be **reused and recycled at the end of their service life**, while guaranteeing food safety. Our **industrial waste** is **collected** and subsequently **recycled** by our specialised partners.

# □ OUR RANGE OF PACKAGING SOLUTIONS: SUPERIOR QUALITY AND RELIABILITY

## ● **CARTYBOX:** Our range of reusable packaging solutions

# CARTYBOX : OUR RANGE OF REUSABLE PACKAGING SOLUTIONS

## Rugged and Practical

Freezer, microwave and dishwasher safe.

## Reusable\*

Over 100 dishwasher cycles, over 40 freeze cycles and over 40 microwave heating cycles.

\*Tests performed in Carty's laboratory

## Recyclable

Cartybox containers are made from polypropylene and can be fully recycled at the end of their service life.

The Cartybox range also boasts a wealth of advantages:

- **Environmentally friendly**

Use or provide your customers with reusable packaging solutions that can be fully recycled at the end of their service life.

- **Transportation made easy**

Need to make some deliveries? Transport your products the safe way with our rugged, heat-resistant packaging.

- **Different capacities**

A choice of capacities to satisfy your every need.

# WHY CHOOSE

## □ CARTYBOX ?

- **Embrace the circular economy**

The reusable design means that you can reduce the carbon footprint of your packaging by a factor of 40.

- **Create a deposit return scheme with our packaging**

The ideal solution for setting up a deposit system at your sales outlet.

- **Grow your business**

Sell products that are geared towards the needs of your existing segments or your target markets.

- **Showcase your range of packaging**

Take your packaging to the next level and spotlight the advantages of the Cartybox range with our bulk container pack options.

- **Develop your image**

Lids can be customised to draw instant attention to your brand.

- **In the kitchen, at home or in the street**

Offer packaging solutions that have been designed for restaurants, home deliveries, grab-and-go snacks and fast food outlets.

- **Sell an experience**

Provide your customers with high-quality packaging and draw strength from the strong reputation that we have carved in the French market.

## □ **CARTYBOX**

**Cartybox** is the ideal versatile solution for professionals in the catering industry with its reusable design!

### ● **PERFECTLY ORGANISED PRODUCTS**

Cartybox is the easy way for keeping your culinary creations flawlessly organised, and extremely practical for storing your ingredients or raw materials.

### ● **IDEAL PRESERVATION**

Cartybox is the safe way for keeping your ingredients, raw materials and cooked dishes in tip-top condition. Lock in the fresh taste and all the flavours of your recipes.

## ● ENHANCED STORAGE
